Schwenksville, PA 19473

Pennsylvania Regiment: A dramatic first-person reenactment of two separate trials. One involves Private John Farndon on the charge of desertion. The other involves Captain Michael Simpson on the charge of drinking with his sergeant and associating with him in a manner unbecoming an officer. These cases will transport visitors back to an 18th century military court where they take part and help the tribunal of military judges decide the outcome.

5:00 p.m. Site Closes to the Public/Blanket Sale in Camp/Dinner

10:00 p.m. All Quiet in Camp
